Sub: Grant of Special Permission for taking part in Alternative Mode of Assessment

**Sir/Madam,**

With the approval of the competent authority, the Council has decided to accord special permission to clear final semester / 'BACK' subject(s) of the diploma students who are, otherwise, not eligible to appear in their respective even semester examinations in 2019-20 as Regular/Casual candidates under the provisions of the existing Examination Regulations. Such students have become ineligible as they have either crossed five (05) years of maximum time duration for diploma study or failed to clear any semester in three consecutive chances including the scheduled year of their first appearance in the respective semester and considering non-appearance as a 'chance'.

In view of the above, the Council requests you to send the names and other details of such students in the following format through mail at [examcell@webscte.co.in](mailto:examcell@webscte.co.in) positively by **28.08.2020**.

Registration Number	Institute Code	Branch Code	Name of the Students	Semester / Section	Student Type (Regular / Casual)	Name(s) of Back Subject(s)	Scheduled Year of First Appearance

On receipt of the names and other details of the students from the Institutions, the Council will initiate necessary actions for their assessment. The online application portal for the assessment of such specially permitted students will be activated and a notice in this regard will be uploaded on the council's website [www.webscte.co.in](http://www.webscte.co.in) in due course of time. Method of assessment for such students will be similar to the "Alternative Mode of Assessment" of the eligible Regular/Casual students of the even semesters and will not be considered as a precedence in future.

It is to mention here that the Council will not be able to entertain any request related to special permission beyond the specified last date.

This is for your kind information and taking necessary action.

Thanking you,

Yours faithfully,

**Koushik Bandyopadhyay**
