F.No. AICTE(P&AP)/MoU-AICTE & MoR/2021-22/

Date: 17th January, 2022

To
All Vice Chancellors/Principals/Directors
AICTE approved Technical Institutions

Subject: AICTE MoU with Ministry of Railway (MoR) to provide Competency based Employability Enhancements Skills under the Employability Enhancement Training Program(EETP).

Sir/Madam,

We are happy to inform that, **AICTE has signed an MoU on 13th January, 2022 with Ministry of Railway** towards undertaking the work of design, development and deployment of Automatic Train protection (ATP) system- 'Kavach' on India Railways; and upgrade the technical skills of students by facilitating knowledge in the area of Railway Signal Engineering and Technology. **(The MoU can be viewed on AICTE website)**

The Ministry of Railway may develop and will facilitate in developing the required course module and training content that is industry specific as well as that which may be common to Railway Signaling & Telecommunication industries to make student trainees/interns Industry Ready, for working with the Organizations.

The key needs of each segment are as follows:

- Exposure to the course curriculum on 'Railway Signaling' and 'Automatic Train Protection (ATP) Systems' - Kavach as an elective course subjects.
- Providing 'internship' for hands-on experience in a lab environment at Indian Railways Institute of Signal Engineering and Telecommunication (IRISET) or any other suitable facility.
- On completing the curriculum and internship, the students shall be job ready thereby improving their chance for placement in Organizations

For further information, you may contact to; Shri. C K Prasad, Senior Professor (Kavach), Ph: **040-27823536**.

We hope students of your institutions will take maximum advantage of this partnership and for this you are requested to adequately publicize this information among your students and faculty. **There will be no financial liability on the students and institutions as well.**

Regards

Dr. Ramesh Unnikrishnan

Advisor- II (P&AP)
